It develops initiative and leadership skills in students through serving others in our school and community.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Students, recommended by teachers, will submit an application (all grade levels eligible). Members will be selected from applications.                                              | \$35/year                                                                         |
| Lanier Student Leadership Team | Collin Jones                                    | Local                                                | Room 820/First Tuesday of each month                 | Our mission is to cultivate an atmosphere of servant leadership in order to positively influence the students and staff of the Lanier community. We will do this by facilitating an effective mentoring program within our high school, building authentic relationships with all students and teachers through service, spreading a contagious culture of leadership throughout the Lanier cluster, practicing deliberate introspection of our past, present, and future, and maintaining a constant commitment to reaching our full leadership potential.                                                                                                                                                                                                                                                                                                                               | All students are welcome to apply; applications, teacher recommendations, and interviews are conducted in March-April of each school year.                                          | None                                                                              |
| Mock Trial                     | Jesica Curtright                                | GA Bar Association                                   | Room 104/Wednesdays from 2:30-3:30                   | LHS Mock Trial seeks to provide an opportunity for students to develop critical thinking, analytical, and public speaking skills while becoming familiar with courtroom procedure.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Students interested in the Legal Process and those who have an affinity for role playing.                                                                                           | \$20 per person/Additional fees may be incurred based on competitions and travel. |
| Mu Alpha Theta                 | Rozina Essani/ Malissa Chadwick                 | Mu Alpha Theta (national)                            | Room 405 on first Friday of each month at 6:40am     | Mu Alpha Theta is the National High School Mathematics Honor Society with over 75,000 student members in more than 1,500 schools. We are dedicated to inspiring keen interest in mathematics, developing strong scholarship in the subject, and promoting the enjoyment of mathematics in high school students. Mu Alpha Theta achieves these goals by: -providing a method for schools to recognize & encourage those students who enjoy & excel in mathematics. - Organizing a National Convention for teachers & students to participate in math-related events & interact with others from across the country. - Rewarding outstanding extracurricular achievement by offering special awards to both students and their faculty advisors. - Providing Mathematics Competitions to participating members at their own school through the Log 1 Contest & the Rocket City Math League. | Freshmen and sophomores with at least a 3.0 in math can be associate members. A full member must have completed 4 semesters of math with at least a 3.0.                            | \$20                                                                              |
| National Art Honor Society     | Tiffany Cole                                    | National Art Honor Society                           | Room 605                                             | Foster excellence and a dedicated spirit to the pursuit of art. Inspire and recognize those students who have shown outstanding ability in art. Further creative abilities and talents of the Society's members, as well as the school's entire students art enrollment. Bring art to the attention of the school and community. Increase an awareness of art in relation to other areas of the school curriculum; and further aesthetic awareness in all aspects of the school's total program.                                                                                                                                                                                                                                                                                                                                                                                          | Outstanding students who have a minimum of one semester and a B average in art to join your NAHS.                                                                                   | \$20                                                                              |
| National Honor Society (NHS)   | Aqueelah Ahmad-Harris                           | National, although there is a state chapter as well. | Room 701/First Wednesday of every month/6:45 or 2:15 | Four main purposes have guided chapters of NHS from the beginning: "To create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools." (from the NHS Constitution) These purposes also translate into the criteria used for membership selection in each local chapter.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 10th-12th grade students with a 92 cumulative GPA will be invited to submit information to be considered for membership each January.                                               | \$45 at time of induction/\$15 each subsequent year                               |

| Robotics/Programming           | Mike Reilly                    | Local       | Room 728/Wednesdays 2:20-4:00                                 | The mission of FIRST is to inspire young people to be science and technology leaders and innovators, by engaging them in exciting Mentor-based programs that build science, engineering, and technology skills that inspire innovation and that foster well-rounded life capabilities including self-confidence, communication, and leadership.                                                                                                                                                                                                                                                                                                                                                                                              | Anyone interested in technology is eligible.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Dues are optional, but \$25 paid on MPP will buy club and competition shirts. |
| Science National Honor Society | Paul Bannette                  | National    | Room 707/Last Friday of each month at either 6:45am or 2:15pm | SNHS will be the prominent scientific organization that will engender a new group of young thinkers who will be the future of industry, research, and scientific exploration for America. We pledge to: Encourage and recognize scientific and intellectual thought, Advance the students' knowledge of classical and modern science, communicate with scientific community, aid the civic community with its comprehension of science, encourage students to participate in community service and in turn, encourage a dedication to the pursuit of scientific knowledge that benefits all humankind.                                                                                                                                       | Membership for a student in the SNHS is conferred during the last two years of secondary school education. A student must have and maintain a 3.0 grade point average (4.0 scale) and a 3.5 in all science courses to be a member. In addition, the following qualifications must be met and maintained: A member must be enrolled in at least one honors or upper level science class during or prior to the eleventh grade year. A member must be enrolled in at least one second year honors or upper level science class during or prior to the twelfth grade year. If second year honors or upper level science courses are not offered by the school, then the student must be enrolled in a second first year honors or upper level science class during or prior to the twelfth grade year. A member must maintain a B average overall and a B+ average(87) (3.5 on a 4.0 scale) across all science courses. (Some schools can strengthen this standard by increasing the grade level to no more than 3.75 on a 4.0 scale. The weighted scale in this case is 4.0.) | \$10 for new members                                                          |
| Science Olympiad               | Margaret Rohrbaugh             | National    | Room 734/BI-weekly on Wednesdays                              | Science Olympiad is a national non-profit organization dedicated to improving the quality of K-12 science education, increasing male, female and minority interest in science, creating a technologically-literate workforce and providing recognition for outstanding achievement by both students and teachers. These goals are achieved by participating in Science Olympiad tournaments and non-competitive events, incorporating Science Olympiad into classroom curriculum and attending teacher training institutes.                                                                                                                                                                                                                  | Students in grades 9-12 who express an interest and demonstrate talent in the areas of science and technology.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Yes, \$4.00 for membership in national organization                           |
| Senior Cabinet                 | Tamaiko Chappell               | Local       | Room 404                                                      | The purpose is to assist with the coordination & execution of various senior class activities including, but not limited to, senior week, senior breakfast, senior picnic and class community service project.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Student must be a senior and chosen or elected to represent the current senior class.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | No                                                                            |
| Spanish Club                   | Jessica Hernandez/Laurie Brown | Local       | Room 713/ Every 2nd & 4th week of each month                  | Our mission is to promote the Spanish language and culture through different activities such as watching Spanish & Latin American films and enjoying Spanish and Latin American foods. The club also serves to improve our cultural awareness and global connections. We will conduct a service project where students may contribute materials/money and/or time to benefit a community in need. It is the intent of the Spanish Club to find opportunities to connect first with the Spanish-speaking community within the school's area. By joining the club, you'll be able to enjoy awesome Hispanic foods and beverages, and celebrate the language, art, music, history, etc. with members of the coolest club at Lanier High School. | 9-12 grades                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | \$20.00                                                                       |

| UNICEF Club   | David Metrio | National | Room 601/Every other Wednesday from 2:30-3:30 | The purpose of the LHS Unicef Club is to work with the U.S. Fund for Unicef. Unicef stands for the United Nations International Children's Education Fund. It is an organization that is a part of the United Nations. Unicef works towards supporting children around the world through fundraising, advocacy, and education to raise money and awareness for the children in the world who need it. Children in countries like Syria, South Sudan, and Mexico need our help. We are currently facing the largest refugee crisis since WWII. We must act accordingly. | EVERYONE is Welcome. | \$15 |
