## **GENERAL INFORMATION**

### **ACADEMIC STUDY PERIODS**

Teacher has the authority to assign an academic study period for academic assistance. These may be assigned for morning (7:00-7:10), during student lunch period or afternoon (2:20-3:10).

Individual teachers may assign an academic study period to a student when his/her academic performance is below passing. Failure to serve will result in parental contact. If a student refuses to attend academic study periods, students can be reported to their administrator.

### **ACCEPTABLE USE OF ELECTRONIC MEDIA FOR STUDENTS**

See page 21-22 for information.

### **ADAP CERTIFICATES**

Students who are enrolled in HL244 are taught the drug and alcohol awareness course by the Georgia State Patrol. Students must be present each of the four days the course is taught and present to take the test for the ADAP certificate. Those students who pass the test are issued an ADAP certificate by the State Patrol. If a certificate is lost, a replacement certificate will be issued within 48 hours for a cost of \$5.00 in the Student Services Office.

### **ADVISEMENT**

It is the goal of LHS to provide an adult mentor for every LHS student. The faculty and counselors work closely together to provide support to individual students. Time is built into the schedule for Advisement lessons every "B" day with the student's Academy period teacher.

**AFTER SCHOOL HOURS (Students on campus)** Students are to be supervised in activities after school hours. After 2:30 p.m., students waiting on transportation are to do so outside of the front of the school by the bus lane only or in an area designated by students' sponsor or coach and supervised.

### **AFTER SCHOOL PARTICIPATION**

Students missing more than 3 periods in a day need special permission from the principal or designee to participate in after school athletic/activities.

### **ATTENDANCE/TARDY POLICIES AND PROCEDURE**

All students will report to the Attendance & Student Services Office located on Longhorn Boulevard.

Lanier High School encourages and promotes good attendance. Regular attendance in school develops good habits that will carry over later in life. Good attendance correlates very strongly with improved grades in school. School attendance is the responsibility of parents and students.

**ABSENCE POLICY:** State law requires attendance at school from age 7 to 16. It also authorizes strict penalties for non-attendance. Excused absences are defined by state law and include only the following areas:

- Personal illness: individuals whose attendance in school would endanger their health or the health of others,
- Death or serious illness of an immediate family member,
- Recognized religious holidays,
- Student under orders from a government agency,
- Service as a page in the Georgia General Assembly,
- Conditions rendering school attendance impossible or hazardous to students' safety or health,
- Registering to vote or are voting, for a period not to exceed one day.
- Military leave of a parent and/or guardian

- Lanier High School will allow students to have up to 3 days to be used as college visitation days. This visit is considered a pre-arranged absence.
- Chronic absenteeism can seriously jeopardize a student's success in school. Please note that after 10 consecutive absences a student will be withdrawn if the school has not been contacted by the parent/guardian.
- If 20 or more minutes of a class are missed, the student is considered absent for that class.
- A student must be present for at least half of the school day in order to be counted present for the entire day.

### **ABSENCES FROM SCHOOL**

When a student is absent from school, parents should notify the Student Services Office at 678-765-4856 between 7:00 a.m. and 10:30 a.m.

On the first day back to school after an absence, the student must bring a signed note from a parent or guardian stating the reason for the absence. The note is to be brought to the Student Services Office and can only be written for the current semester. **The absence will be classified "Excused" only if it is covered by one of the above areas as defined by Georgia Law (listed above.)**

For an absence to be excused, a parent note and/or more formal documentation (doctor's note, court papers, etc.) can be provided for the seven areas up to fifteen total absences per school year; thereafter, for an absence to be excused, **ONLY** appropriate formal documentation beyond parental notification is required- doctor/dental note, court documentation, obituary, etc. **Please Note:** If a student is more than 20 minutes late for a class, the student is considered absent from that class. **\*Refer to Teenage & Adult Responsibility Law in this handbook regarding loss of driving privileges and chronic absenteeism.**

### **PREARRANGED ABSENCES**

If parents find it necessary for their student to miss school due to an out-of-town trip, or other reason not considered to be excused, a Prearranged Absence form must be completed and returned for approval in advance. If the absence is approved, it will be classified as **unexcused**, but students will be allowed to make up missed work (Pre-arranged Absence forms may be picked up in the Student Services Offices at any time).

### **CHECK IN/CHECK OUT**

Any student leaving campus for any reason after they have arrived on campus must check out at the front lobby desk. If you know you will be checking out during the school day, drop off a note in your designated Student Services Office prior to 7:25 a.m. with a parent contact number to verify the note. **If check out is not prearranged, the student must be checked out before 1:45 p.m.** Contact with a parent or guardian will be required. A student information card and clinic card complete with parent contact information and persons designated by parent to pick up student must be on file before a student is allowed to check out. **Anyone checking a student out should be prepared to provide picture identification at the Front Lobby desk at the time of check out.**

**Any student leaving campus after they have arrived on campus must check-out in the Student Services Office.**

**TARDY TO SCHOOL POLICY:** All students are expected to be in school and/or classes on time. This means in the classroom before the tardy bell rings. Students are considered tardy from the ringing of the 7:10 a.m. bell until 7:30 a.m. Please be aware that the state of Georgia does not excuse heavy traffic and/or poor weather conditions as a reason for being tardy to school.

Students who arrive at school between 7:11 a.m. and 7:30 a.m. are considered **tardy to class**, but should report directly to first period after signing in and getting a tardy to class pass from the office.

**Students arriving to school after 7:30 a.m. must sign in the Student Services Office before proceeding to class.** Report directly to Student Services office upon arrival on campus.

**UNEXCUSED TARDIES TO CLASS POLICY:** All students are expected to be in class on time. This means in the classroom before the tardy bell rings, otherwise you are tardy.

If the student is not in the room on time, then they must go to the Student Services Office. At this location, the student will obtain a pass and then be sent to class. The student will not be allowed into class without the pass. If a student fails to get a pass and/or fails to attend class, the student will be considered AWOL (absent without leave/permission).

**Consequences for Unexcused Tardy to Class (\*\*cumulative total of tardies, not per class period\*\*):**

- 1<sup>st</sup> – 5<sup>th</sup> Offense: Warning
  - 6<sup>th</sup> Offense: 1 day of Restricted Lunch
  - 7<sup>th</sup> Offense: 2 days of Restricted Lunch
  - 8<sup>th</sup> Offense: 3 days of Restricted Lunch
  - 9<sup>th</sup> Offense: 2 hour Wednesday School
  - 10<sup>th</sup> Offense: 2 Wednesday Schools
  - 11<sup>th</sup> Offense: 4 hour Saturday School
  - 12<sup>th</sup> – 14<sup>th</sup> Offense: In School Suspension
- After the 15<sup>th</sup> offense the consequence issued to a student will be at the discretion of administrator; suspension of parking privilege for the remainder of the school year may occur.

**TRUANCY (AWOL)**

Students who skip a class, leave campus without checking out, or who have an unexcused absence that has not been prearranged will be considered truant and be subject to disciplinary measures. Once a student arrives on campus, the student is considered to be at school and must obtain administrative permission in order to leave campus, even if classes have not begun. Students found in unauthorized areas will be regarded as truant. **Contrary to popular belief, there are no approved class “skip days.”** If an AWOL involves leaving campus by vehicle, the students(s) involved will lose parking privileges for the remainder of the school year, and no refund will be given.

**BEHAVIOR / DISCIPLINE**

**APPLICATION OF GCPS BOARD OF EDUCATION STUDENT CONDUCT BEHAVIOR POLICY**

The following rules apply when a student(s) is (are):

1. On the school grounds at any time;
2. Off the school grounds at a school bus stop, on a school bus, grounds at a school activity/function/event;
3. When either the alleged perpetrator or the alleged victim is en route to and from school or school function/activity/event;
4. Off school grounds when the behavior could result in the student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process; (O.C.G.A. 20-2-751.5)
5. Off school grounds while the student is participating in or attending school-sponsored or school-related activities such as field trips, conference or athletic events; or is otherwise subject to the jurisdiction of school authorities;

6. Off the school grounds when the misconduct is directed at a school student or employee and is related to the victim's school affiliation, or when the off-campus conduct directly affects the safety and welfare of the school community or the orderly mission and function of the school; and
7. Off the school grounds and when a student leaves without permission (AWOL) of a school official or any time Rule 10 would apply.

### **CONSEQUENCES OF STUDENT MISCONDUCT**

Local school administrators have broad discretion to determine consequences for student misconduct at the local school level. The range of consequences for misconduct that can be assigned by a local school administrator may include, but is not limited to, a student conference, parent conference, before or after school or lunch detention, in-school suspension, Saturday school, out-of-school suspension up to nine days, or a referral to a Student Discipline Hearing, which may result in a long-term suspension or expulsion. Depending upon severity of the offense, Safety and Security Department may be contacted for referral to law enforcement officials.

### **STATEMENT OF STUDENT MISCONDUCT**

These rules are designed to notify students of the types and ranges of behaviors that are unacceptable; nevertheless, every specific variation of prohibited conduct may not have been included. Consequently, students should expect to be disciplined for misconduct that is obviously inappropriate. A specific rule need not be written for every conceivable variation of behavior that directly affects the orderly mission of the school.

Description of rule violations are listed for informational purposes only. For detailed information please refer to the Student Discipline Handbook.

School lunches cost \$2.50 and breakfast is free. You may place funds on your student's lunch account by going to [www.mypaymentsplus.com](http://www.mypaymentsplus.com) . It may take 24 hours for funds to be posted to the local school account.

### **CAREER CENTER**

Students can visit the Career Center before and after school or during lunch. The Career Center is located in the Guidance Office.

### **CHOICE BOOK**

Students and parents should refer to the Gwinnett County High School's Choice Book, a preparation and planning guide for students and parents, for detailed information on academic matters and graduation requirements. A copy of the Choice Book can be located at [www.gwinnett.k12.ga.us](http://www.gwinnett.k12.ga.us) under both the student and the parent information tabs.

### **CLASS CHANGE**

This time is provided to transition from class to class or for locker/restroom visits. This is not a time to be loitering; students need to be moving toward their next period classroom. Students have six minutes to transition to their next class. Students will be locked out of class and required to get a tardy pass from the Student Services office before they will be admitted to class.

### **CLASS RANK**

Class rank is based on cumulative grade point average (GPA). The student class rank is listed on the bottom of his/her transcript. For graduation purposes, the grade point average after completion of the fall semester of the senior year will be used to determine class rank.

### **CLINIC**

**-The school clinic is located on Longhorn Boulevard**

Students must have a teacher-signed pass to go to the clinic unless otherwise pre-arranged with school nurse. ALL student medications must be recorded, stored and administered in the school clinic.

### **CODE OF ACADEMIC INTEGRITY**

Lanier High School has an established Code of Academic Integrity. This covers many different aspects including Homework/Classwork, Test/Quizzes, Research Papers/Essays, Media Center/Computer Labs, etc. The Code of Academic Integrity establishes definitions, violations and penalties that may apply. In essence, the Code of Academic Integrity reflects the credo that "Longhorns do not lie, cheat, or steal, nor do they tolerate these behaviors in others." **The full Code of Academic Integrity is located in the Appendix.**

### COLLEGE VISITS

Students in good standing have the opportunity to visit colleges. Students are permitted three days throughout the school year. All visits must be arranged with three days prior notice to the visit. Good standing is defined in terms of academic attendance and discipline record. If there are negative records in any of these areas, permission may not be granted for college visits during school hours. College visit forms can be picked up in the Student Services Office. All forms must be verified by the college and returned to the Student Services Office to receive an excused absence.

### COMMUNITY SCHOOL

The community school program at Lanier High School offers after school and weekend opportunities for recreational, personal enrichment and vocational classes. A wide variety of activities gives citizens an opportunity to use the public school buildings and facilities during these times. Please refer to the website to discover classes and activities that interest you. Classes of particular interest for students include Driver's Ed and SAT Prep classes. The Community School office is located off of the Commons. For more information call 678-765-4776.

### COUNSELOR ASSIGNMENTS and APPOINTMENTS

**The Guidance Office is located in the center of the 100 hallway and Longhorn Boulevard.** Lanier High School has three professional counselors. The counselors plan and implement activities throughout the year. **Get to know your counselor. The guidance office is very important to all students because it is a place where anyone can go for assistance.** For counseling appointments contact the Guidance Office at 678-765-4769.

### DRESS CODE (Students)

The Lanier High School administration and staff would like the cooperation of the students and parents in reviewing the student's dress to ensure it meets the following dress code guidelines before the student comes to school.

1. Headgear – Headgear is prohibited and must be kept out of sight in the building. This includes, but is not limited to, caps, hats, hoods, bandanas, wave caps, sweatbands, sunglasses, combs, rakes, curlers, picks or any other head covering. \*Exceptions for religious or medical reasons to be granted by the Student Services Office with proper documentation.
2. Shirts/Blouses/Tops/T-shirts – Blouses/shirts should be constructed so that the tops of the shoulders are covered (no halter tops, strapless tops, tank tops, spaghetti straps, or bare shoulder tops of any type will be allowed). Blouses/shirts that expose any portion of the waist, hips or midriff are not allowed. Other blouses/shirts that are not appropriate for school include, but are not limited to, low-cut, see through, backless, or tube tops. Rips or holes are not allowed in shirts/tops. Boys are not to wear sleeveless shirts (except in P.E.).

4. Shoes - Health regulations and safety factors require that shoes be worn at all times at school (bedroom shoes are not allowed).
5. Undergarments should not be visible.
6. Pajamas, sleepwear, or blankets of any kind are not allowed to be worn to school.
7. Stretch lycra, spandex or nylon tights, leotards, biker pants or underwear worn as an outer garment are strictly prohibited (except in dance class or P.E.).
8. A shirt of proper length and style must be worn under overalls at all times. No student clothing shall display words or symbols that advocate or depict violence, drugs, alcohol, sex, illegal gang affiliation or other illegal activity expressed or implied. No student clothing or accessories shall be disruptive, have caused past disruption to the school environment or could be used as a weapon.

9. Students are not allowed to display clothing or symbols that have been identified by the Gwinnett County Police Gang Task Force as being commonly identified with gangs. Sharp objects that could pose a danger, such as spikes or safety pins, are not allowed on clothing or book bags.
11. Any student dress/appearance not specifically stated which the faculty or staff deems distracting will not be permitted. It is essential that students respect the learning environment by being appropriately dressed for school. A student wearing clothing or accessories not described in these rules but which become distracting to the learning environment or identified as gang-attire will receive a written warning in advance of any disciplinary action.
12. Consequences for dress code violations start at Step One on the Disciplinary Scale.

**Determination of dress code violations is at the discretion of the administration.**

The examination consists of a performance section and a multiple-choice section. The exams are secure; therefore, students are not allowed to take their final exams early. Final Exams will count 20%.

### **FAMILY & EDUCATION RIGHTS**

### **GATEWAY ASSESSMENT**

**-Main Administration will be in late March and/or early April.**

The purpose of the Gateway Assessment Program is to measure student progress on Gwinnett’s essential curriculum, the Academic Knowledge and Skills (AKS). The content of the high school Gateway Assessment consists of AKS from the required ninth and tenth grade courses in science, social studies, and language arts. Specifically, students will be responsible for the AKS in Biology, Chemistry, World History and ninth and tenth grade Language Arts.

- Students will be required to write TWO (2) tasks, one about science AKS and one about social studies AKS. Documents will be provided to help students remember details of the concept they have studied. Each student's response is scored by at least two raters who do not know the student’s name or school. If more than one point separates the score on any feature, the paper is scored by a third judge.
- All high school students will take the assessment beginning in the spring of their tenth grade year. High school students will have to pass the Gateway examination before they receive a GCPS diploma.

### **GIFTED EDUCATION PROGRAM**

The Gwinnett County Public Schools gifted education program serves students in grades K-12 by providing academic challenges for those who are intellectually advanced. Any responsible person who has knowledge of a student’s intellectual abilities may refer a student to the local school’s gifted referral committee. Parents should notify the school when registering their child that he/she was identified as a gifted education student in their previous school.

A gifted eligibility team from the school reviews referrals at the beginning, middle, and end of each school year to determine which students will be evaluated. A student may be referred once during high school. The evaluation includes the student’s mental aptitude, achievement, creativity, and motivation.

Private evaluations and testing may not be substituted for test data generated by the local school. For more information please contact Mrs. Naomi Kirchner, Gifted Education Coordinator.

### **GOVERNOR’S HONORS PROGRAM**

Lanier High School participates in the Governor’s Honors Program that provides recognition to outstanding students statewide. Students are nominated by their teachers and compete at the county and state levels. Selected students pursue academic interest areas during the summer on a college campus.

**GRADE LEVEL CLASSIFICATION**

Homework will be assigned as necessary to meet instructional objectives and be used to evaluate and monitor student progress. **ACCEPTABLE USE OF ELECTRONIC MEDIA FOR STUDENTS** (Version 050107)

The Board recognizes that electronic media, including the Internet, provides access to a wide variety of instructional resources in an effort to enhance educational opportunities. Use of electronic resources must be in support of, and consistent with the vision, mission and goals established by the Board and for the purpose of AKS instructional support. All users of the district wide area network and/or other electronic informational services must maintain strict compliance with all applicable ethical and legal rules and regulations regarding access. The purpose of these guidelines is to ensure that all GCPS technology users share the GCPS technology resources in an effective, efficient, ethical and lawful manner. GCPS technology should be used for legitimate educational reasons only, and not for personal use.

Strict compliance with all applicable ethical and legal rules and regulations must be maintained by all users of the wide area network and/or other electronic information services including electronic mail (e-mail). Users must respect intellectual property rights and understand that school system data accessible over the network, regardless of the computer or device being used, constitutes property. All electronic, telephonic, and communications transmitted by, received from, or stored in these systems are property of the Gwinnett County Public Schools. Users of such systems should have no expectation of privacy. Student e-mail use for legitimate educational purposes will be subject to monitoring and review, including review of text and attachments that are related to that student or students. At NO TIME should a student consider GCPS e-mail private or confidential in any way.

It is important to note that with a global network it is impossible to control or predict all materials a user may accidentally or purposefully discover on an electronic resource. Gwinnett County Public Schools personnel will make every effort to educate and guide all users in the proper use of electronic media, including the Internet. Because access to the Internet provides connections to other computer systems located all over the world, users (and parents of users) must understand that neither the Gwinnett County Public Schools nor any district staff member controls the content of the information available on these other systems. Some of the information available is controversial and sometimes may be offensive. Gwinnett County Public Schools DOES NOT CONDONE the use of such materials. Therefore, it is imperative that the user be held accountable for the appropriate utilization of this technology.

**ACCESS IS A PRIVILEGE - NOT A RIGHT!** Inappropriate use will result in a cancellation of these privileges as well as possible assignment of disciplinary action consistent with the policies and procedures of Gwinnett County Public Schools.

Local schools may establish additional regulatory guidelines for use of electronic resources that include, but are not limited to, guidelines established by this system-wide procedure.

Building administrators shall establish a process for informing students and staff about the district and local school Acceptable Use Procedures.

The definition of GCPS information and data resources will include any computer, server or network, or access provided or supported by GCPS, including portal-delivered applications and the Internet. Use of computer information and resources includes the use of data/programs stored on GCPS computing systems, data/programs stored and/or delivered through magnetic tape, floppy disk, CD-ROM's, DVD-ROM's computer peripherals, or other storage media, that is owned and maintained by the GCPS. The "user" of the system is the student using GCPS technology. Access is a privilege, not a right, and all students are expected to treat this learning tool with respect. GCPS technology and electronic resources must not be used to:

- Harm other people.
- Interfere with other people's work.
- Use a computer to steal property.
- Gain unauthorized access to other people's files or programs.
- Gain unauthorized access to on-line resources by using someone else's password.

- Make changes to the hardware or software configuration of any machine, including installing or deleting any software.
- Improperly using the network, including introducing software viruses and/or bypassing local school or office security policies.
- Steal or damage data and/or computers and network equipment.
- Access, upload, download, and distribute pornographic, hate-oriented, profane, obscene, or sexually explicit material.

Failure to follow these guidelines can violate the Official Code of Georgia, O.C.G.A., Codes 16-9-90, 16-9-91, 16-9-93, and 16-9-93.1 as well as Title XVII of United States Public Law 106-554, known as the Children's Internet Protection Act. Such actions can also lead to disciplinary actions, up to and including loss of access to GCPS technology resources and further disciplinary actions as defined by existing GCPS policies.

### **Rationale for Code of Academic Integrity**

Our goal for Lanier students is that education is a pleasurable and exciting experience in which students strive for the best with strong character and pride.

Establishing a code of academic integrity is important as we seek to instill honor through honesty in our academic endeavors. This code develops a greater understanding for our faculty, administration, students, and parents of what constitutes cheating.

As we prepare students to function in society, we hope to instill in our students a sense of pride in only accepting credit where it is truly deserved. This not only promotes academic honesty, but it also develops personal integrity.
